

REMARKS

In the Office Action dated April 20, 2006, claims 1-19 are allowed pending resolution of formal/informal matters.

By this amendment, claims 1-15 and 17-19 are now pending in the application. Claims 13-15 have been rewritten in independent form including all of the limitations of claim 1. Claim 16 has been cancelled.

Specification:

The disclosure is objected to for various informalities.

Accordingly, Applicants' submit a Substitute Specification to rectify the informality of headings to the different sections of the specification. A Red-Lined Specification is also submitted herewith.

Abstract

Applicant submits an amended Abstract to correct inconsistencies in the thickness and weight ranges noted by the Examiner.

Claims:

Claims 1-19, while allowed, have been objected to for various informalities.

By this amendment, revisions to claims 1-15 and 18-19 have been made according to the Examiner's suggestions. Claim 16 had been cancelled.

It is believed that the foregoing amendment now places the specification and claims in appropriate condition for allowance. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
